

Let's Go, Pistachio!

I went to a party
On a Saturday night
With a big ol' pistachio by my side
He opened all the presents
And he ate up all the cake
Yeah, he went a little nuts
So I had to say

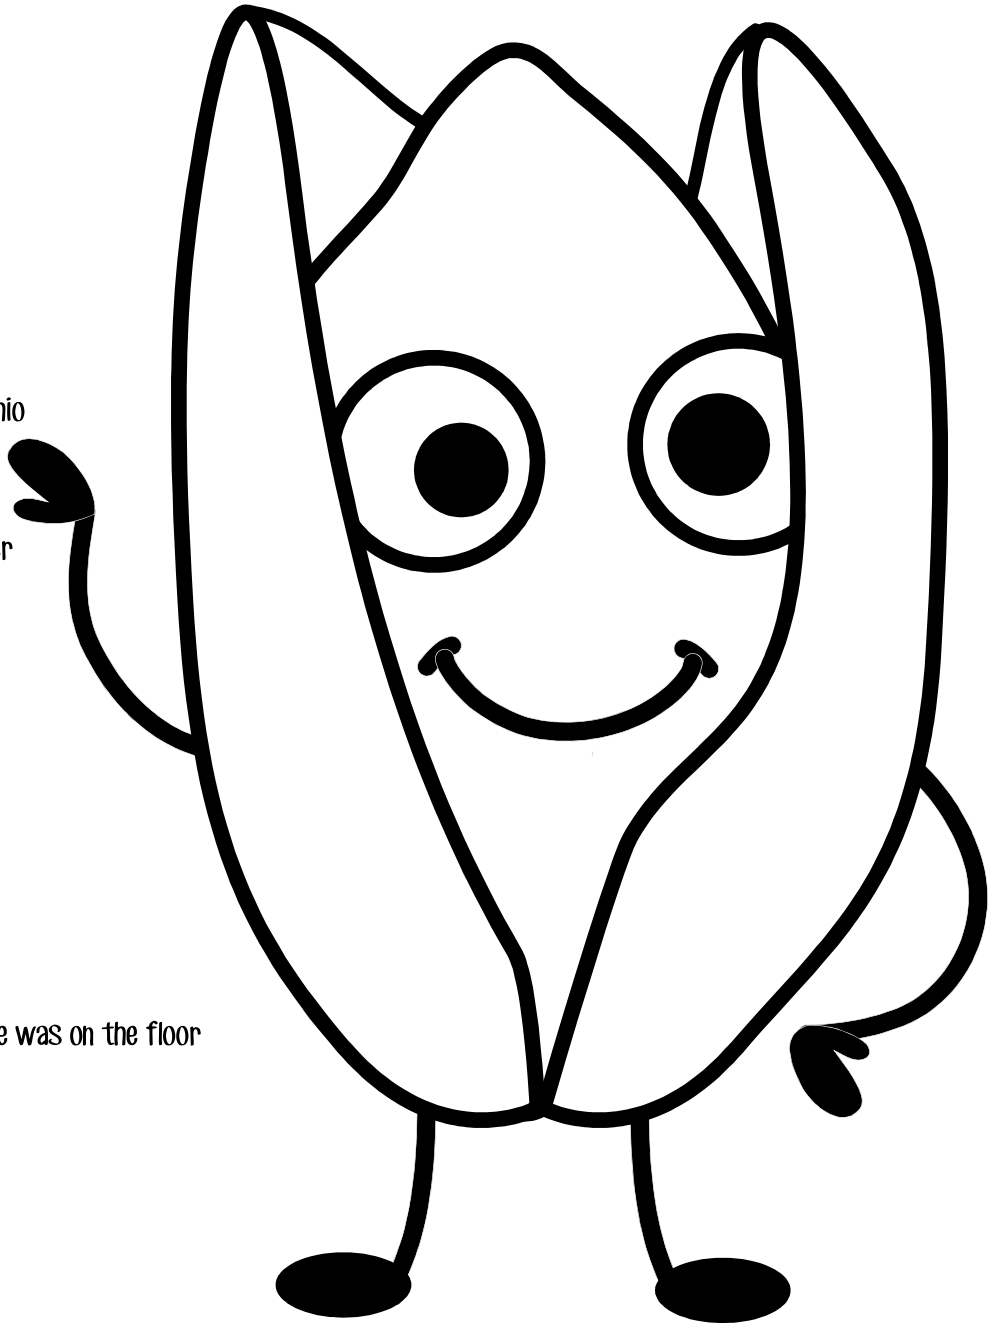

Let's go, Pistachio
Na na na na
Let's go, Pistachio
Let's go, Pistachio
Na na na na
Let's go, Pistachio

We loaded up some buddies
And we headed to the pool
With a promise that Pistachio
Was gonna be cool
But he got so excited
doing cannonballs
That he emptied all the water
And I had to call

Let's go, Pistachio
Na na na na
Let's go, Pistachio
Let's go, Pistachio
Na na na na
Let's go, Pistachio

We got all gussied up
And headed to the dance
Pistachio was ready
Out looking for a romance
The music started playing, he was on the floor
Yeah, Pistachio had moves
I'd never seen before

Let's go, Pistachio
Na na na na
Let's go, Pistachio
Let's go, Pistachio
Na na na na
Let's go, Pistachio
